Our Goals Are Your Goals

The Veteran Staffing Network solves two pressing challenges:

- Enabling businesses to hire and retain top-quality talent
- Facilitating the reintegration of veterans and wounded warriors into our communities

The Veteran Staffing Network (VSN) is your full service staffing agency – temp, temp-to-perm, and direct hire – but is unique because it operates as an arm of Easter Seals Serving DC | MD | VA and builds upon our decades-long legacy of service. By focusing squarely on the needs of individual employers and individual veterans, we provide the best personal match for each position and support our nation’s veterans - highly trained leaders - in their successful transition to civilian life. We leave no one behind.

We understand that our job does not end with placement, but rather with the long-term success of both employer and veteran—we are not satisfied until you are.

Investing In Veterans and Businesses

As a non-profit organization, we reinvest all revenues generated by the Veteran Staffing Network in crucial support services for veterans, wounded warriors, and their families to ensure that you get the most productive employees.
